DETAILED ACTION

1. The response filed on October 18, 2005 been entered. Accordingly, claims 1, 7, 16 and 28 have been amended; and claims 11, 24 and 37 have been canceled.

Terminal Disclaimer

2. The Terminal Disclaimer filed on January 24, 2005 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of pending application 10/606325 filed on June 25, 2003 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Reasons for Allowance

3. Provision of the terminal disclaimer filed on January 24, 2005 has overcome double patenting rejections of claims C. Therefore, claims 1-10, 12-23, 25-36 and 38 are allowed.
4. Claims 1-10, 12-23, 25-36 and 38 are allowed over prior art of record.

The prior art of record, including Hanley (US Patent No.: 6,733,150 B1) and Marston (US Patent Application Pub. No.: 2003/0151910 A1), does not show or suggest the applicant's invention as claimed. Specifically, the prior art of record does not disclose a lighted headwear combining:

- at least one black-light LED directing light through a black-light responsive portion of a bill of a lighted headwear as recited in the amended independent claims 1, 16 and 28.

The above-indicated combination, including a lighted headwear comprising a bill with a black-light responsive portion, is unique invention.

Neither combined nor individual teaching of Hanley ('150 B1) and Marston (US Patent Application Pub. No.: US 2003/0151910 A1), discloses a headwear having a bill with a portion responsive to the black light as claimed by the applicant.

Therefore, claims 1-10, 12-23, 25-36 and 38 are allowed over prior art.

Claims 2-10 and 12-15 are necessarily allowed because of their dependency on the allowed base Claim 1.

Claims 17-23 and 25-27 are necessarily allowed because of their dependency on the allowed base Claim 16

Claims 29-36 and 38 are necessarily allowed because of their dependency on the allowed base Claim 28.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
